See reverse for terms and conditions.

Delta Comfort+ seating is offered on Delta's two-cabin aircraft, subject to availability. Features differ according to flight type/destination/aircraft. Domestic flights offer up to 3 more inches of legroom and international flights offer up to 4 more inches than the standard Main Cabin seat. Increased recline is offered on all long-haul international flights 6.5+ hours and flights operating between JFK to/from LAX or SFO. Complimentary beer, wine and spirits are offered in Delta Comfort+ on all flights that offer beverage service in the Main Cabin; in addition, complimentary beer, wine and spirits are offered in the Main Cabin on all long-haul international flights. Delta Comfort+ offers complimentary premium content via Delta Studio, premium snack options on flights 900 miles and greater as well as select routes under 900 miles, and dedicated overhead bin space. Dedicated overhead bin space is subject to availability. Delta Comfort+ fees are charged per customer per segment. Except with respect to Basic Economy fares, SkyMiles Medallions and select partner airline elite members and up to eight companions traveling on the same reservation may be eligible for complimentary Delta Comfort+ within a specified time prior to departure based on their status within the applicable complimentary window. Complimentary Delta Comfort+ seats are not available for selection by any passenger while onboard the aircraft regardless of status or fare class. Basic Economy fares are not eligible for paid or complimentary Delta Comfort+, regardless of Medallion or other elite status. If the Medallion or partner airline elite member is no longer traveling on their original reservation, any companions traveling on the original reservation will no longer be eligible for complimentary Delta Comfort+ seating, and their Delta Comfort+ seats when purchased through a Delta channel (featuring an electronic document number beginning with "005"). If a Delta Comfort+ seat is purchased at the airport in Amsterdam (AMS) or Paris (CDG) for a Delta operated flight, the member will not earn miles or MQDs. MQDs will not be awarded for complimentary access to Delta Comfort+. MQDs may only be earned by the member traveling whose name and SkyMiles number is included in the reservation. We reserve the right to assign or reassign a Delta Comfort+ seat at any time, even after boarding of the aircraft, for operational, safety or security reasons. The final decision resides with the ground staff and operating crew on the day of the flight. Refunds will be issued to any reassigned customer if the customer is not moved to a comparable or better seat and no MQDs will be awarded. If a customer voluntarily changes his/her flight or seat selection once purchased, a refund for the original seat purchased will not be provided and no MQDs will be awarded. Preferred seating is offered on Delta and Delta Connection<sup>®</sup> flights, subject to availability. Except with respect to Basic Economy fares, Preferred Seats are complimentary for Medallion<sup>®</sup> members. SkyTeam<sup>®</sup> Elite and SkyTeam<sup>®</sup> Elite Plus members, Virgin Atlantic Flying Club Gold members, and Alaska Airlines MVP<sup>®</sup> and MVP<sup>®</sup> Gold members and their companions when they are booked in the same reservation. Preferred seats are also complimentary for customers that have purchased full Y, B and M fares. Preferred seats are available for sale to customers who are not eligible for complimentary preferred seats, excluding customers that have purchased full Y, B and M fares. Preferred seats are available for sale to customers who are not eligible for complimentary preferred seats, excluding customers traveling on Basic Economy fares, starting at 45 days prior to departure in all markets. In select Asia markets, which are subject to change, preferred seats will be available for purchase at the time of ticketing based on availability. Fees will be charged per customer per segment. SkyMiles members can earn Medallion Qualification Dollars (MQDs) for purchases of Preferred Seats only when purchased through a Delta channel including delta.com, Fly Delta mobile app, Delta Reservations, Delta kiosks and select Delta airport locations. If a Preferred Seat is purchased at the airport in Amsterdam (AMS) or Paris (CDG) for a Delta-operated flight, the member will not earn miles or MQDs. MQDs will not be awarded for complimentary access to Preferred Seats. MQDs may only be earned by the member traveling whose name and SkyMiles number is included in the reservation. Customers seated in the bulkhead row may be reassigned to accommodate passengers with disabilities. We reserve the right to assign or reassign a Preferred Seat at any time, even after boarding of the aircraft, for operational safety or security reasons; the final decision resides with ground staff and operating crew on the day of the flight. Refunds will be issued to any reassigned customer if the customer is not moved to a comparable or better seat and no MQDs will be awarded. If a customer voluntarily changes his/her flight or seat selection once purchased, a refund for the original seat purchase will not be provided and no MQDs will be awarded. All SkyMiles program rules apply to SkyMiles program membership, offers, miles and MQD accrual, mile redemption and travel benefits, respectively. To review the rules, please visit Membership Guide and Program Rules. Prices, offers, rules and benefits subject to change. Basic Economy (E) fares are not eligible for paid, complimentary or discounted Delta Comfort+ or paid or complimentary Preferred Seats, regardless of Medallion or other elite status, for flights flown on or after February 1, 2015. Note: Passengers needing special assistance should contact an agent. Those seated in the bulkhead row may be reassigned to accommodate passengers with disabilities. Refunds are automatically issued if a similar seat is not assigned. © 2018 Delta Air Lines Inc.
